

# ARAB ENVIRONMENT IN 10 YEARS

2017 Report of the Arab Forum for Environment and Development

## Future Environmental Leader Forum

FELF

# Introduction to FELF

- FELF was founded in 2014 during a conference in Jordan
- Our mission is to promote youth's involvement in environmental issues

# Introduction to FELF

- Our vision is to create a forum that would support youth's role and deliver their voice where it matters

# Introduction to FELF

- last year's emphasis was, "Investment in youth should be government priority"
- **WE** are the back bone of our countries
- We can change the future of societies in the Arab region with the well being and courageous mentality that the youth has

# FELF Evolution

- Every year, students from different Arab countries and Universities gather as FELF
- Every year, they state their recommendations at the end of the conference

# FELF Evolution

- This year, we took things to the next level
- Not 20 minutes, but an hour
- Excellent effort and input from the students

# Universities Represented

- American University of Beirut
- Arabian Gulf University
- Azm University
- Lebanese American University
- Lebanese University
